With the exception of the offices listed below, signature requirements are calculated based on the lesser of 1,000 signatures, or signatures equal to 30% of the votes cast at the last primary election for the same office, district, and political party for which the petition is being circulated. If no primary election was held, the number of required signatures is calculated by identifying 30% of the votes cast at the last preceding general election for which there was a candidate for that office.

The required number of signatures for the offices of US Senate, Governor, Secretary of State, Treasurer, and Attorney General is equal to 1,500 signatures per congressional district. For more information on signature requirements, please see section 1-4-801, C.R.S.
